HOW TO PAY YOUR FEES

Please follow the steps below to ensure your payment is processed correctly.

Step 1: Choose Your Payment Option

Option 1: Full Payment

- Pay the full course fees at the time of registration.
- This option is **mandatory** for students not domiciled in the UK.

Option 2: Sponsorship

- If your employer or another organisation has agreed to pay some or all your tuition fees, the Institute can invoice them for required amount. To request invoice, complete the **Sponsor Details Form** with your sponsor's information and submit it to finance@metanoia.ac.uk
- A 25% deposit is required at registration.
- **Important:** If your sponsor does not pay, you will be responsible for any outstanding balance.

Option 3: Student Loans

Undergraduate Tuition Fee Loans

- If approved for a student loan, you are not required to make any fee payments at registration.
- However, you must provide proof of your Student Loan approval, and the amount awarded, by 5pm on or before the second Friday in August immediately preceding the start of the academic year.
- Failure to provide this evidence may result in you being unable to take up your place on the course, or you may be required to pay the course fees in accordance with our payment terms until your loan is approved.

- **Important:** If your loan is not approved by the designated deadline mentioned above, please email **finance@metanoia.ac.uk** with the date you applied for your loan so that we can assist you further.

Postgraduate Tuition Fee Loans

- Unlike undergraduate loans, postgraduate Loans are paid directly to you, not to The Metanoia Institute. Therefore, you are responsible for ensuring that all tuition fees are paid to the Institute.
- You must provide evidence of your loan approval, and the amount awarded, by 5pm on or before the second Friday in August preceding the academic year. This ensures we are aware of your funding status.
- **Important:** If your loan is not approved by the designated deadline mentioned above, please email **finance@metanoia.ac.uk** with the date you applied for your loan so that we can assist you further.

Option 4: Instalment Plan (Direct Debit)

- Pay a **25% deposit** at registration.
- The remaining balance is split into a maximum of **five monthly instalments**.
- **Direct Debits** will be collected on the last working day of November, January, February, March, and April.
- To set up instalments, you must complete the **Direct Debit Mandate** (provided in your contract) and email it to **finance@metanoia.ac.uk**.
- **Important:** If two consecutive payments fail, the full remaining balance will become immediately due.
